### MECHANICAL REQUIREMENTS

File Types	High Resolution PDF, JPG, EPS, TIFF
Color	CMYK only. Please do not use any Spot Colors or graphics/images in RGB format.
Resolution	300dpi

We recommend sending a matchprint or equivalent proof with the electronic file. Colorado Activity Centers is not responsible for errors printed for any material NOT accompanied by a color proof.

The Mesa Verde Country Guide is printed by Publication Printers using direct-to-plate imaging technology on glossy paper with 133-line screen. Advertisers are asked to send final documents via electronic media. We prefer to receive files via email or file transfer, but will also accept CDs by mail or drop off. Please label all materials with issue date, publication (Mesa Verde), contact name and number and advertiser name.

Please feel free to contact us with questions or if you require any further information.
